Challenges and Opportunities of PAAR  Some of the challenges facing PAAR here in 2025 is the discuss around a regional MLS and the benefits for all members. Ther have also been regulatory changes that have impacted the entindustry so how can was a board better serve and educate o members on the changes and be successful in this market plat. The entire real estate industry seems to be in a recession as to number of transactions decline and inventory rises. In how doe this impact the number of members we have and our revenue Other concernshow can help our members be successful in the current market place.  PAAR Future  There are a large number of members that are not actively involved with PAAR. How can we create new events, education and benefits to get more members involved with our association and benefits to get more members involved with our association and benefits to get more members involved with our association of all members? I believe that I am qualified to serve in this robecause I have been in the industry for 19 years and in my 9th year selling real estate. I believe my professional experience bring value to the board. I show up and I am on time. I unders that the Board is a service position and we are making decision for all members.		· ·
served as Chamber Ambassador for several years for the Glenwood Springs Chamber of Commerce. I was also an assist coach for the Glenwood Demons Mountain Bike Team.
